CHILD CARE AND NURSERY PROGRAMS

THE HALTON CHILDCARE REGISTRY operates through a 1-800 line providing child care information to families looking for child care in Halton Region. The registry is comprised of licensed child care centres, licensed agencies, nursery schools and registered providers in Halton Region. When parents call the toll free number their specific needs and requirements are assessed by a qualified representative and an information package is assembled and mailed out within 24 hours. This is a free service. Call 1-800-665-0256 or 905-875-0235.

All schools listed herein are licensed by the Ontario Ministry of Children and Youth Services.

CHILD CARE CENTRES provide care for preschool children during the working day and operate all year.

NURSERY AND PRESCHOOLS offer structured programs for half-day sessions. Generally operated during the school year, although some offer summer programs.

COOPERATIVE NURSERY SCHOOLS are run by the parents of the attending children. Parents are therefore expected to contribute a certain number of volunteer hours. There are some cooperatives that admit non-participating families at a slightly higher fee.

Call: Halton Region Social and Community Services Department, Children's Services Division, Preschool Integration Services, 905-825-6000.

ONTARIO EARLY YEARS CENTRE The Centre is designed to be a place where parents and caregivers can get answers to questions, information about programs and services that are available for young children, and an opportunity to talk to early years professionals, as well as other parents and care-
