

## Corporate profile

### ST. LAWRENCE CEMENT

Cement. One of the world's oldest construction materials is also St. Lawrence Cement's core product. While St. Lawrence Cement's products and services make a positive contribution to society, the company also takes seriously its responsibility to conserve clear air, pure water, and natural resources. Its commitment to address environmental concerns has helped to set St. Lawrence Cement apart from the rest, as have their philanthropic contributions to local community organizations, such as the Oakville Arts Council, and the Oakville Waterfront Festival.

### HALTON HEALTHCARE

Halton healthcare is the amalgamation of two major medical service providers in the hopes of creating a superior way of delivering treatment and care to patients throughout this community. What was once separately Milton District Hospital and Oakville-Trafalgar Memorial Hospital is now a multi-site healthcare organization providing access to two of the best community hospitals in the province. Together these hospitals serve over 200,000 residents, and carry on a long-standing tradition of providing quality care to many generations of area families.

### TOWN OF OAKVILLE

Physical beauty, friendship, success, and a commitment to excellence in all things; these are the characteristics that have helped to define the town of Oakville for everyone who is lucky enough to call our community home. A thriving administration helps to guide the social and economic development of this community that has grown to an impressive 170,000 plus residents. With commerce, culture, industry, and education all in abundance, the town of Oakville looks forward to a brilliant horizon.

### ALTANAPHARMA

It has been estimated that a full two-thirds of the diseases and conditions known to medical science cannot be cured or treated adequately at the moment. This is why there will continue to be a great demand for new drugs which are both effective and safe. Every day, AltanaPharma is helping to make improvements in the quality of patients' lives by supplying innovative and established therapies. Through research, development, and medical science, AltanaPharma seeks to create a healthier today, and a better tomorrow.

### SHERIDAN COLLEGE

One of Southern Ontario's finest college's and the shining jewel of Oakville's bountiful educational choice, Sheridan College has made their

mark on both local and international levels. Specializing in the use of technology, Sheridan has pioneered programs whose graduates have found success in everything from animation to aeronautics. A dominant figure and still growing, Sheridan College continues to reflect a standard of excellence and academic achievement that so many others now seek to emulate.

### BOT CONSTRUCTION

A standard bearer in large-scale industrial construction, BOT construction has also set the standard for worker safety and professional standards of conduct in the field. Knowing that their greatest resource is the people whom they bring to every job, BOT continually strives to make each work place better, safer, and more successful than it ever has been before. From the building of roads and bridges to the creation of complex superstructures, BOT has found that no job is ever so big that it exceeds their ability to get a project done on time, on budget, and with safety at the forefront.

### POLYWHEELS

A world-class manufacturer of compression molded parts for a wide variety of markets including transportation, medical, electrical, furniture, sporting goods, marine, construction, and consumer products, Polywheels Manufacturing Ltd has twice been voted one of Canada's 50 Best Managed Private Companies. As well as being named Oakville's Manufacturer of the Year.

### REGION OF HALTON

Comprised of Oakville, Halton Hills, Milton and the City of Burlington, the Region of Halton covers over 232,000 acres of land, including a 25-km frontage onto the shores of Lake Ontario. Home to over 15,000 businesses, The Region has become one of Ontario's finest areas to work, to live and to raise a family.

### VON

Since 1897, the Victorian Order of Nurses (or VON) has been there when we need them the most. Offering extensive services including shift nursing and general visits, palliative care nursing, crisis centre support, home support services, friendly visits for the elderly, special steps visits for those with memory loss, hospice and bereavement services, as well as health education, the caregivers of the VON have become an indispensable part of our community healthcare landscape.

### UPS LOGISTICS GROUP

A leader in customized supply chain solutions for the healthcare industry. Many of Canada's leading companies count on UPS Supply Chain Solutions for solutions that meet the rigours and regulations of the healthcare industry.

### THE OAKVILLE BEAVER

North America's most awarded community newspaper continues to build bonds between the businesses, educators, manufacturers, and retailers of Oakville and the people who call this community home. Proudly representing Oakville for nearly half a century, the Oakville Beaver remains to be the most popular source for our town to find local news, events, and the many features that make Oakville so unique.
