

discover oakville

If you live in Oakville - you are a part of a community that puts a priority on living well. This is accomplished by providing Oakvillians with top-notch living conditions and surroundings. Oakville offers residents the best of old and new while sharing in an interesting history as well as fabulous shopping, dining, parks, trails and so much more.

Oakville is one of the most sought-after places in which to reside. It is a pleasant mix of old and new. With a strong history and heritage, Oakville embraces its past and believes strongly in preserving the historical buildings of yesteryear. The Oakville community offers historic, small town charm while providing residents with all the luxuries and conveniences of today.

Spending a day in Oakville discovering the old and new is a great day out with your friends, family or alone. Come with my fiancé and me as we discover Oakville and hit some great local spots to see what the charm of Oakville is all about...

Our first stop on our day of discovery is for a hot cup of coffee and delicious baked-goods at Oakville's famous and legendary Monastery Bakery and Delicatessen. Monastery has been an Oakville landmark for more than 16 years, offering the community quality products. After selecting freshly baked bread for dinner later - we head over to the coffee bar for an espresso and a delicious cappuccino.

With our coffees in hand, we decide to make a pit stop at Oakville Place, Oakville's largest shopping mall. Located at Trafalgar and the QEW, Oakville Place offers fabulous shopping, great food options and a very convenient location. During our walk through the mall, we stop to sample ice cream, get our pictures taken in a photo booth and check out the Sports Hall of Fame.

Our next stop is the Canadian Golf Hall of Fame and Museum, located at the infamous Glen Abbey Golf Course. During our drive, we pass the Heritage Trails and consider going for a walk before our next stop. We decide we better come back tomorrow with Grace, our dog - as we know she will really enjoy the trails. (Oakville has a very unique trail system that links the entire community.)

It's not long and we arrive at the Golf Hall of Fame and Museum. Both casual players and golf aficionados alike will enjoy a truly unique and memorable visit to the Hall of Fame where they will be able to discover all there is to know about Canadian golf and the role Oakville plays.

Tony and I try a few swings, learn about Glen Abbey Golf Course and the game of golf and head to our next stop - Bronte Village and Harbour.
