

discover oakville

Oakville is the home to numerous restaurants all of which are unique in their own way. This makes choosing one a very difficult task! Tonight we feel like indulging a little, and decide on Jonathans of Oakville.

As we step inside we are greeted warmly by the host and shown to a beautiful and inviting table. Our taste buds are tantalized by Beef Carpaccio (the best I have ever had) Tiger Shrimp, Sea Scallops and Filet Mignon. The ambiance is elegant and comfortable, the food is delicious and filling and the service is very personal. Just when we think we can't eat anymore – a sampling of the dessert menu arrives and we can't resist trying these little delights. As we roll out of Jonathans we are feeling very satisfied with our dining experience and head home after another great day in Oakville.

On our drive home we talk about all the things we have done and places we have discovered over the past two days. We realize that we have only scratched the surface. We didn't have a chance to get to Kerr Street, Oakville Galleries, Bronte restaurants, shopping in North Oakville, or an Oakville Blades hockey game.

On our drive home I ask Tony what he thought of Oakville... "It seems to be a town with an interesting history, really great trails and parks and a beautiful downtown... with fantastic food!" he says. "Maybe tomorrow we should look on MLS and just see what's out there..." I couldn't agree more!
