

Serving Oakville since 1955

52 YEARS in Oakville!

For almost half a century Canadian Tire has been proud to play a role in Oakville's history, past present and future.

In April of 1955, our first store opened on Kerr Street, expanding to Upper Middle Road in 1989 and then to Dundas and Trafalgar in 2001.

We've continuously cultivated our product lines and have been committed to quality service.
