

DON'T LET YOUR FINANCIAL INVESTMENTS SINK

Saving for your future means keeping an eye on your investments. Don't fool yourself - pensions and social security won't be enough to keep you afloat when you retire. Inflation

and cost-of-living increases will reduce those fixed-income funds dramatically during your retirement years. But you can be prepared. A Fiscal Agent financial counselor will show you how and throw you a life preserver.

What do we do to deserve an award? One of the things is to continually shop-around the financial markets for you. Fiscal Agents is uniquely qualified as Oakville's only registered no-fee deposit broker, seeking out for our clients, just like you - the highest interest rate and the best deal on Guaranteed Investments Certificates (GICs), Term Deposits and Savings Accounts. We make your RRSPs or RIFs (actually all of your money) work harder.

Since 1977, Fiscal Agents' deposit brokers and advisors have been offering the conservative investor, security, choice, flexibility and convenience. We specialize in recommending products best suited to you and your family, as well as for investment groups, religious organizations and individuals who manage trusts, estates and charities.

You too, can reap the benefits of our no-fee wholesale deposit placement service. To find out more please call us at 905-844-7700, or visit us at our award winning website fiscalagents.com

We've been voted Oakville's #1 Investment Firm and presented the Platinum Award in 2006 - We believe it's because after 29 years, your financial well-being is still our number 1 priority!
