

# Coming Fall 2007...

## A new facility as unique as the Mercedes driving experience

# It has its own echo.

The all-new 7-Passenger GL-Class. Our first full-sized luxury SUV.

► **THE ALL-NEW 2007 GL450** has arrived. It gives you all the performance, luxury and safety you expect from a Mercedes-Benz and delivers them in the form of our first-ever full-sized SUV. That means you get ample seating for seven adults and a massive 2,300 litres of cargo space. It also means you get our new 335 hp V-8 engine, our 4MATIC™ permanent all-wheel drive, our 7G-TRONIC automatic transmission, and our AIRMATIC air suspension. Add a unique unibody construction, the only one in its class, and it's clear that the GL-Class is a formidable SUV, indeed.
