Welcome to the 2006 Oakville Community Guide - a helpful resource that you will want to keep handy as you'll find yourself flipping through it again and again.

Filled with useful information - the Community Guide is your one-stop resource for all things Oakville.

With the help of Information Oakville, our community info section provides you with just that - Information on community groups, emergency numbers, sports and recreation contacts and so much more.

The Guide also gives you a month-to-month schedule of events and festivals in the community that you won't want to miss.

In our editorial features we invite you to Experience and Discover Oakville. We hope our information on community hotspots, Oakville landmarks and fun things to do will inspire you to rediscover and experience the new and old of Oakville - Enjoy!
