What clients are saying about us:

Service, quality, teamwork, results... you've heard it all before. What you haven't heard about is the time Wayne offered to drive me to work in Toronto in a big snow storm or the time Virginia offered to pick up my kids from school because we were running late. Wayne and Virginia understand that **building strong personal relationships lead to long term results.**

Virginia is the **creative genius, exuberant and passionate** in her approach to real estate. Wayne is the **Key Negotiator**, the practical money man, unleash him and he'll squeeze every penny out of the deal whichever side of the table he's sitting on!

If you're like us, you've got a young family with kids, you've bought another house without selling the first one, your spouse is stressing you out and you're beginning to lose your hair, you can't afford to wait a moment longer. **Wayne & Virginia will be on your side** helping you keep your sanity every step of the way, just like they did with us.

So who would you rather trust with your biggest asset (or liability in most cases!) – a team focused on their commissions or a team **focused on your family?**

We've chosen the Mundens over and over again! So should you!"
